Tolsons Hurry Tool Outfit in Indoor League

Win Three in Row to Take Second Place in Circuit

Although pushed hard by the gallant Tolson nine, the Union Tool indoor team, managed by Talking Spud Murphy, still tops the Torrance Twilight League with three games won and none lost. Other players and other outfits maintain that the reason the Tools are still in the lead is that they didn't play a game last week.

Last Wednesday the Tolsons trimmed Rotary in a close game 12 to 10 and stepped out the next night to scalp the Glass Factory lads 11 to 5.

Friday night saw a warm tussle between Rotary and Kiwanis, with Rotary winning by a score of 12 to 10. Jimmie King was the star of the tilt, getting four bingles in as many trips to the pan. Art Finster says Rotary won because they had twelve men—Hank Ulbricht and Mike Fix being placed in Art's mind as on Rotary's side although in the Kiwanis lineup and Harold Kingsley contributing to the Rotary victory by being absent from the game.

On Monday night the Tolsons won their third straight by beating the High School 8 to 7. Tuesday night the Firemen, with a rejuvenated team, beat Rotary 11 to 6.

Leading hitters in the league are as follows: King, Kiwanis 1000; Burmaster, Firemen 850; Stephens, Glass Co. 777; Casper, Cal. Natl. 770; C. Tolson, Tolsons 750; Bennett, Union Tool 750; Neilson, Glass Co. 750; Cato, H. S. 688; Phillips, H. S. 688; Finster, Kiwanis 625; Anderson, Union Tool 666; MacFarlan, Rotary 600; Hudson, Tolsons 600; Reynolds, Cal. Natl. 581; Pullman, Kiwanis 572; Pennington, Glass Co. 555; Martinez, Cal. Natl. 555.

Rotarians Hear Judge Stephens

Judge Albert Lee Stephens, presiding judge in the Superior Court, explained before an interested group of Rotarians today just why a case which comes before the judge today may not be set for trial until a year or possibly 18 months from today, due to the crowded calendar. Other interesting insights into court procedure were given by the judge, who touched comprehensively on the jury system.

Children Attend Salvation Army Camp Near Ocean

Yesterday a group of local boys left for the young people's summer camp of the Salvation Army, located at the Pacific Palisades near Santa Monica.

Every year the camp is held at some suitable place, and with competent officers in charge the boys are given a splendid vacation, coupled with athletic training, swimming, etc. A Bible school is also held in connection with the camp, so that from every angle the boys may be benefited.

In two weeks a group of girls will be given a similar opportunity, and both groups will return to Torrance before the end of August.

Lecture at Moose Hall Here Sunday

Next Sunday, Aug. 1, at 8 p. m., in the Moose hall, a lecture will be delivered by E. L. Fowler of Los Angeles which promises to be of considerable interest. The theme for the lecture is "The New World Beginning."

The following observations were made by those who are arranging for the lecture: "Few would regret the passing away of the old world, which we have come to know as one of much trouble and distress. At any rate most people will admit that there is much room for improvement, and that therefore a change in mundane affairs can be contemplated with equanimity, especially if there is any prospect of betterment. It is reported that the lecture to be given Sunday will point out from the Bible that we are not fully justified in expecting a new order of things, one which will give full opportunity to every human being to obtain the things that make for real happiness and peace."
